Could infrastructure have been done? What Bannon/Trump floated (private/public deals) doesn't seem very attractive.

I was worried if started w infrastructure, Trump would offer all private, Dems would offer all public, end up half and half, big Trump win

GOP incumbents are underwater across the board, yet they're crushing even generic Dem challengers, e.g.:

2018 Tennessee Senate GE:
Bob Corker (R) 47% (+10)
Democratic Opponent 37%

Kakistocracy

Kakistocracy (kækɪs'tɑkəsi) is a term meaning ■ state or country run by the worst, least qualified, or most unscrupulous citizens. [1] [2] The word was first coined by English author Thomas Love Peacock in 1829, but was rarely used until the 21st century.

If I recall a few people were arrested and/or taken in to FBI custody for inciting violence at the women's march. One of them being Madonna

You get a lot of fake news. No one was arrested at Women's March, and definitely not Madonna.

1 1 2

Neera Tanden @neeratanden · 8 Jul 2017
Maybe you're confusing public option & single payer? Anyway people can use the Medicaid expansion today. Don't blame Dems for GOP sabotage

2 3

Neera Tanden @neeratanden · 8 Jul 2017
The lack of ■ Medicaid expansion in any state is entirely due to GOP. What have you been doing to get it for you and others?

Hating ACA because GOP didn't do Medicaid expansion bc Roberts Court gave them that option is simply falling for the GOP trap. They did this
